

## INVITATION TO BID NOTIFICATION

Issued April 20, 2026, by the

**Metropolitan Wastewater Management Commission (MWMC)**

Project Name: **Primary Clarifier and Final Treatment Concrete Repair**

**MWMC Project Number: P80118**

The MWMC invites prequalified prime bidders to submit Bids for construction of the Primary Clarifier and Final Treatment Concrete Repair Project P80118. Bids must be received in accordance with the Bid Documents, and questions about the contents of the Bid Documents must be directed to the Owner's Representative at the email address listed in the Bid Documents, and not to the Design Consultant.

Bid Documents are available for viewing and downloading at the link below:

[MWMC Invitation to Bid webpage](#)

**To submit a Bid, Bidders must be prequalified and comply with the requirements listed in the Instructions to Bidders.**

A **mandatory** Pre-bid Conference will be held as indicated in the Bid Documents. A representative *must be present and sign in* at the pre-bid meeting for each Bidder submitting a Bid for this Project if the Bid is to be considered. Please note that the primary clarifiers and some of the final treatment facilities will be in service at the time of the Pre-bid Conference. Potential Bidders are encouraged to bring a high-performance flashlight to assist in viewing existing conditions of the primary clarifier launders through maintenance access hatches. A parking map for the Pre-bid Conference is attached.

Bids received after the date and time established in the Bid Documents for receipt of Bids will not be considered. Bids may be withdrawn or modified at any time prior to the Bid closing provided that any modified Bid is received by the date and time when Bids are due.

METROPOLITAN WASTEWATER  
MANAGEMENT COMMISSION
